

WISH UPON A CLOUD
A program for off-budget projects

As a member or friend of First Congregational, you can suggest and/or fund a specific project *either partially or in full*. Such one-time tax-deductible gifts will be in addition to an annual pledge.

How can you participate?

Submit a project proposal for approval by completing the form below. Once complete, please email it to: admin@firstchurchwg.org

To Fund a Project

Select an approved project from the “Wish Upon A Club” Board that will be in the Narthex on Sundays until we resume our Coffee Fellowship in Memorial Hall and turn in to the Office with the donation you would like to make to partially or fully fund the Wish. You can pay for the project with a check or through our [donate page](#) under the drop down menu. Look for ***Wish Upon a Cloud!***

Turn the form in to the office with the selected “Cloud” and the donation you would like to make. You may fund the project/item partially or fully. You may fund one of the items on the list below. To pay by credit card online, please click on <https://firstchurchwg.org/donate/> and select *Wish Upon a Cloud* from the drop-down menu. Be sure to include the item or project in the note section.

WISH UPON A CLOUD PROPOSAL

Your Name _____

Project or Item to be Considered _____

Description and Benefits of Proposed Project _____

Cost Estimate _____

I would like this gift to be in tribute or as a memorial to (optional):
